Where can I park with my Visitor Parking Permit?

This pass allows you to park anywhere on campus, including Staff and Student parking. It does not allow you entry into gated parking areas or spaces specifically marked for Service Parking. Unfortunately, you may not be able to find a parking space in front of our building and parking is limited.

**Please reference the attached Parking Map to view parking areas on campus. Campus maps are also available on the MSU Parking and Transit Services website.*

What time should I arrive on campus for the ACCESS Open House?

We suggest getting to campus no later than 9:00 am so you will have ample time to find a parking space. If you have any questions or get turned around, please don't hesitate to call the ACCESS office at 662-325-8375.
